2. Please identify two areas in which we excelled:

Bringing issues up front, communication, professionalism and sense of urgency.

3. Please identify two areas in which we could improve:

When we go through the quotation phase, there should be more a focused effort. There were some parts that were obsolete that should have been caught. By simply opening the panel and taking a look, that would have been known.

4. Please share any other comment you might have about this project or JMP in general.
