2. Please identify two areas in which we excelled:

The project was done in a timely fashion and there was always open conversation and communication.

3. Please identify two areas in which we could improve:

I can't think of anything from this project or from any of my experiences, really. The team does a great job!

4. Please share any other comment you might have about this project or JMP in general.

5. How likely is it that you would recommend JMP to a friend or colleague? (1 = not at all likely, 10 = extremely likely)

1 2 3 4 5 6 7 8 9 10

Why did you give us this score?

Because everything was timely from the work down to invoicing. Also we value the team's experience and knowledge.

JMP Comments: Thanks for the feedback and comments. I'm glad we were able to help.
