**2. Please identify two areas in which we excelled:**

Everything went well. Omar was helpful and got everything we needed done.

**3. Please identify two areas in which we could improve:**

There was a miscommunication at one point that we thought your team was going to be onsite at Toyota to help us if something came up, but it turned out that the other job that they thought they would be working on got cancelled. It ended up being okay, as everything went well and we did not need any assistance.
