2. Please identify two areas in which we excelled:

_____ has been an excellent help on one of our projects. His past experience doing electrical design for this customer has helped ATS work through some issues and he has also trained us along the way. _____ has also been helping us for a while and has been doing okay, again helping get through the crunch on some of our projects. _____ has also been helping the design department and is doing a good job. I really appreciate the help JMP has been able to provide us.

3. Please identify two areas in which we could improve:

Nothing.

4. Please share any other comment you might have about this project or JMP in general.

5. How likely is it that you would recommend JMP to a friend or colleague? (1 = not at all likely, 10 = extremely likely)

1 2 3 4 5 6 7 8 9 10

Why did you give us this score?

Quality work and reliable people.

JMP Comments: Thanks for the feedback and continued work!
